Professional Grills by Alfresco

Artisan

Artisan

# Your dream outdoor kitchen may be more affordable than you think

---

Before Artisan, your choice for an outdoor kitchen came down to premium American-made brands at a high cost, or much less expensive (and much lower quality) imports.

At Artisan, we strive to offer affordable luxury with all the quality and features you expect in premium American-made appliances and accessories, at prices normally only imports can offer.

Our years of experience building equipment for some of the finest restaurants, and our state-of-the-art manufacturing facility, allow us to offer an unprecedented mix of quality and value.

# How do Artisan Professional Grills by Alfresco compare with the others?

With materials and construction, functional design and meticulous craftsmanship surpassed by none, Artisan Professional Grill's are tough enough to withstand the rigors of living outdoors.

## *Artisan Exclusive Heat Delivery System*

---

Heavy-duty 304 18-8 stainless burners create evenly distributed extreme high heat to the cooking surface.

- 20,000 BTU rated main burners
- 300 Series stainless steel "U" burners with dual rows of clean and efficient combusting double lanced ports on three sides
- Best-in-class warranty

*Made in the U.S.A*

Made from commercial-grade 304 18-8 stainless steel, with durable heli-arc hand-welded seams.

*Precision Flame Control*

Artisan's ergonomic grill knobs and brass valves, and are designed for precision control.

*Refractive Locked-in-Place Ceramic 5-way Heat Distributing Briquettes*

A special pyramid shape delivers intense even heat to the cooking surface. Radiant tray locks briquettes in place. Turn tray over and fire burners on high with lid closed to self-clean.

*Sear Zone™ Infrared Burner*

Optional interchangeable infrared burner. 20,000 BTU rated 100% combusting ceramic surface for intense even heat and authentic steakhouse results. Cooks 50% faster with virtually no flare-ups. Sear Zone™ Burner Model: ART-ISB. Grate for Sear Zone™ Model: ASZG

*Redesigned Switches*

Stainless steel push-buttons for ignition and lighting are ergonomically integrated into the front control panel.

### *Control Panel Lighting*

Ambient blue LED front panel lighting illuminates knobs creating a rich beam of light exactly where you need it. Professional Series only.

### *Hood Lift Assist*

Heavy-duty stainless steel spring assist makes for one finger open and close of the grill hood.

### *Flush Rear Infrared Rotisserie Burner*

32" and 36" model grills come with a flush-mounted 1500° rear ceramic infrared rotisserie burner. (Professional Series only)

### *Stainless Steel Cooking Grates*

Heavy-duty stainless steel cooking grates with a special non-stick electro-polished finish are positioned over briquette and "U" burner sections.

### *Adjustable Food Warming and Grilling Rack*

Two-position adjustable warming rack stores up and out of the way when rotissing. Ideal for above-grilling-surface holding and cooking.

### *Halogen Work Light*

Integrated high-intensity halogen work lights on 32" and 36" models. Light lens is easily removable without the use of tools. (Professional Series only)

### *Integrated Thermometer*

Standard on every Artisan grill, this convenient thermometer is built into the hood for accurate oven roasting temperatures.

### *Exclusive Heat Protected Wiring*

Electrical wires are each encapsulated their full length with a 600° heat-resistance silicone sleeve, and all electric connectors are protected with a silicone boot of same heat resistance silicone.

### *Exclusive Control Panel Air Cooling Curtain*

A special air-cooling plenum blasts a curtain of cool air that flows up between the front control panel and firebox keeping front panel and bullnose safely cool to the touch. This also protects all the electronics.

### *Heavy-Duty 50-lb. Torque Rotisserie Motor*

Connects to either end of rotisserie spit turning foods smoothly and consistently. (Optional on American Eagle Series)
