LIVING FASHION

We believe *fashion* is more than what you wear. It's the way you move through *the world*.

It's the culture you experience, the places you travel, the food you eat—and yes, the way you design your home.

This philosophy of living fashion shapes everything we do. It's why every Brizo® collection tells a story, why every material is selected with integrity, why every last detail is meticulously crafted.

Because when you make a statement with every choice, you're not just wearing fashion. *You're living it.*

We take our name from the ancient Greek water goddess *Brizo*. A protector and enchantress, she appeared to mariners in their dreams, casting visions of their futures.

Now we've reimagined that story for today. **The Modern Goddess** is a muse, an emblem, a spirit—who inspires each of us to dream a life of beauty on our own terms.

KINTSU® WIDESPREAD FAUCET IN *BRILLIANCE®* LUXE GOLD®

DESIGNS THAT *ALLURE.*

Details that captivate.
Luxury that endures.

This singular vision guides us. To not only make, but to *craft*. To obsess over every nuance, from a carefully chosen texture to a perfectly weighted handle. To be committed to fashion, not fads. And to respect the past, while not beholden to it. All to create luxury that is current, yet ageless. Familiar, *yet surprising*. Modern, *yet timeless*.

Ultimate SERENITY

A true oasis is different for everyone. Whether you seek solace or inspiration, tranquility or enlightenment, Brizo® showers cater to every whim.

Choose from a range of custom shower systems, fittings and spray patterns. And for even more flexibility, pair any selections from Brizo® bath collections with coordinating pieces from the Essential™ Shower Series—adding the perfect aesthetic to the perfect experience.

PRESSURE BALANCE SHOWERS

Sheer simplicity is a sheer luxury.

Unparalleled consistency and flawless performance meet in the Pressure Balance system. A single handle turns water on and off while adjusting the temperature, allowing you to set the ideal conditions with a single control.

TEMPASSURE® THERMOSTATIC SHOWERS

More control—and even more possibilities.

With independent volume and temperature controls, the TempAssure® Thermostatic shower experience is a completely customizable experience. Turn the water on without changing the temperature settings, then return to the preferred temperature for your next shower.

SENSORI® SHOWERS

Completely custom, completely indulgent.

Limitless is an understatement with our most customizable high-flow shower system. Volume controls turn individual components on and off independently, all without changing the temperature setting.
