

GESSI THE
PRIVATE
WELLNESS
COMPANY®

CATÁLOGO | COD-GE012023

A Family Story

UNA STORIA DI FAMIGLIA

L'Azienda costituisce una storia di famiglia, iniziata nel 1992 dal genio dei fondatori Umberto Gessi e suo figlio Gian Luca. Essi hanno creduto nella missione di offrire un sostanziale Private Wellness (benessere privato) attraverso prodotti dalla dirompente innovatività tecnologica e dallo stile design iconico. Negli ultimi anni Nicolò ed Emanuele, figli di Gian Luca, si sono uniti alla grande famiglia aziendale, che oggi comprende oltre 650 impiegati in tutto il mondo.

The company is a family story, born in 1992 from the genius of founders Umberto Gessi and his son Gian Luca, who believed in the mission of bringing a sense of private wellness through products with unprecedented technological innovation and iconic design style. In the recent times, Nicolò and Emanuele joined the family, who now comprises over 650 employees worldwide.

Un'azienda di persone appassionate

A COMPANY OF PASSIONATE PEOPLE

L'azienda è orgogliosa di avere al suo interno persone con un forte senso di appartenza, un sentimento di inclusione che incrementa il coinvolgimento e il proprio valore personale nell'attività che ogni giorno si svolge all'interno di quella che è la Famiglia Gessi. Per questa ragione si prende cura di tutte le persone che fanno parte raverso anche un impegno sostanziale in tutto caratterizzano il successo.

The company is proud to have people with a strong sense of belonging, a feeling of inclusion that increases the involvement and personal value in the activity that takes place every day in the Gessi Family. Gessi does take care of all the people who are part of this reality, through a substantial commitment on the local territory, with welfare initiatives that characterize its success.

Gessi, the Green Company

Gessi è fortemente radicata nel proprio territorio e fin dalla propria costituzione ha assunto la missione di rispettarlo. La fabbrica è circondata da 800.000 mq di parco verde, e si caratterizza per impianti di illuminazione ad alta efficienza, sistemi ventilati di raffreddamento e pannelli di riscaldamento ecologici, un impianto di riciclo totale dell'acqua, 4 ettari di pannelli fotovoltaici che producono energia pulita a favore delle operazioni produttive, evitando qualunque emissione di CO₂.

Gessi belongs to its territory and since its inception has a mission to respect it. The factory, surrounded by 800.000smq of park, features high-efficiency lighting, ventilated eco-thermal panel systems, water recycling system, 4 hectares of photovoltaic panels that produce clean energy fuelling the workshop, avoiding any CO₂ from emission.

TECHNOLOGY AND INNOVATION **Tecnologia e innovazione**

Gessi crede nel miglioramento continuo, motivo per cui l'Azienda investe in R&S più del 10% dei profitti annuali, con l'obiettivo di alimentare l'innovazione tecnologica e tenere la fabbrica all'avanguardia. Siamo dotati di un team di 25 persone che lavorano sulla R&S di nuovi materiali, innovazione di processo, certificazioni e miglioramento continuo della qualità.

Gessi believes in continuous improvement, that is why the company invests in R&D over 10% of our profits every year to fuel technological innovation and upgrade our factory. We have an internal team of 25 people working on product R&D, new materials, process innovation, certifications and quality improvement.

100% made in Gessi

Gessi mantiene forti radici nel proprio territorio e realizza ogni fase delle produzioni in casa, assicurandosi in questo modo che il 100% dei componenti di prodotto sia made in Europe. L'Azienda vanta altissimi standard di tecnologia che assicurano la più alta qualità di prodotto.

Gessi maintains strong roots in its home territory and carries out each production phase in-house, ensuring 100% of its product components are made in Europe. The Company boasts high levels standards of technology, ensuring the highest standards of product quality.

Massimo livello di servizio, pre e post vendita

MAXIMUM LEVEL OF SERVICE, BEFORE AND AFTER SALES

IL MIGLIOR SERVIZIO DI PROFESSIONISTI A TUA DISPOSIZIONE

Professionalità, competenza e vicinanza al Cliente sono da sempre elementi distintivi del Customer Care Gessi. La più performante rete di professionisti del settore messa la servizio del Cliente in tutto il territorio nazionale con 27 Centri Tecnici Autorizzati.

Tutte le richieste sono gestite con l'attenzione e la competenza di chi è presente nelle case degli italiani da 30 anni.

Scansiona il QrCode e collegati a www.gessi.com/it/contatti alla sezione Assistenza Tecnica per visualizzare la rete dei centri assistenza Italia.

Scan the QrCode and connect to www.gessi.com/it/contatti in the Technical Assistance section to view the network of Italian assistance centers.

THE BEST SERVICE FROM PROFESSIONALS AT YOUR DISPOSAL

Professionalism, competence and closeness to the Customer have always been distinctive elements of Gessi Customer Care. The most performing network of professionals in the sector serving the customer throughout the national territory with 27 Authorized Technical Centers. All requests are handled with the attention and competence of those who have been present in Italian homes for 30 years.

PRODUCT QUALITY AND GUARANTEE

Qualità e Garanzia del prodotto

The Gessi integrated quality and environmental management system is a guarantee of quality: our unique production method is certified UNI EN ISO 9001 since 1996.

100% of our production undergoes over decades of quality controls before being shipped to our customers, to ensure we deliver only the best. We strive for maximum excellence, that is why our portfolio achieved conformity certificates from the world's most renowned certification bodies.

Il Sistema Gessi di Qualità Integrata e di Gestione Ambientale, è una garanzia di qualità assoluta: il nostro speciale metodo di produzione è certificato UNI En ISO 9001 final 1996. Il 100% della produzione è soggetto a scrupolosissimi controlli di qualità prima di essere consegnato ai nostri clienti, in modo da assicurarci di offrire solo il meglio. Noi siamo impegnati nel conseguimento della massima eccellenza, il che spiega perché il nostro portfolio abbia conseguito certificazioni di conformità dagli organi di certificazione più importanti e rinomati del mondo.
