Child Seating Solutions

**KB102 Child Protection Seat**

Koala Kare's child protection seat allows parents to comfortably secure a child while safely using the restroom themselves or tending to other matters in the restroom. A steel pivot rod secured in an aluminum tube hinge mechanism provides superior support and wear resistance, while nylon safety straps that extend over child's shoulders and between legs safely secure the child.

KB105 Designer High Chair

Sleek design and color choices match modern restaurant design and décor. Curved chair top reduces potential liability by preventing chair from being turned upside down and used unsafely to balance an infant carrier. Table-height chair allows a seated child to eat off a standard restaurant table with the whole family.
