### 1.Red Light Therapy

Jacuzzi Saunas include high intensity red light therapy allowing you to enjoy the benefits of light therapy in every session.

### 2.Therapeutic Far Infrared Heaters

Our combination mica/carbon low EMF heaters surround you in soothing infrared heat.

### 3.Full Spectrum Heaters

Our powerful full spectrum heaters deliver near, mid and far infrared to enhance the benefits of your sauna session.

### 4.Built-In Ergonomic Backrest

Relax close to the soothing infrared heat against the built-in ergonomic backrest.

### 5.Vibrational Resonance Therapy

As a standard feature, VRT can compliment your infrared and red light therapy session with sound and vibration.

### 6.Enhanced Audio

Bluetooth® and AUX inputs make it easy to connect, listen or charge your devices, and includes a subwoofer for a more immersive experience.

### 7.Heavy-duty Construction

Metal threshold, upgraded hinges and a replaceable solid wood floor will withstand heavy sauna use.

### Additional Features

Color Light Therapy  
Digital Keypad Controls  
Beautiful Accent Lights  
Interior Reading Lights  
Smartphone/Tablet Control

### Wellness Covered

#### Infrared Therapy

Full range of the infrared light spectrum delivered in every sauna session.

#### Vibrational Resonance Therapy

Enhance your sauna session with sound and vibration.

#### Red Light Therapy

Enjoy the benefits of red light therapy with our overhead light bar, which fills the sauna with red light.

#### Chromotherapy

Enhance your mood with the option of twelve different light settings, or cycle through them all.
